

It's Showtime Lyrics

It's Showtime

Alex: Time to go, got a real big show and it's almost time.

Gotta give the 'ol hair a blow and my teeth a good shine.

Marty: Gonna give a good sheen to the ebony and ivory.

Crowd's gonna go wild when they see my best Gene – Gene Kelly I mean!

Gloria: Gonna do my toes, gonna do my nails, a little make-up never fails.

A girl should always look her best – when she's this blessed.

Melman: Trying to drag my body out of bed.

I can't do the show with this aching head.

Maybe I should see the doc instead.

Crack-a-lack-in', He's so crack-a-lack-in', crack-a-lack-in', He's so crack-a-lack-in'

Marty: My name is Marty and I'm a zebra.

I ain't a horse and I ain't no libra.

I really know how to put on a show.

Give me a groove and watch me go... Look out!
